### Official Form 101

### Voluntary Petition for Individuals Filing for Bankruptcy

06/22

The bankruptcy forms use *you* and *Debtor 1* to refer to a debtor filing alone. A married couple may file a bankruptcy case together—called a *joint case*—and in joint cases, these forms use *you* to ask for information from both debtors. For example, if a form asks, "Do you own a car," the answer would be *yes* if either debtor owns a car. When information is needed about the spouses separately, the form uses *Debtor 1* and *Debtor 2* to distinguish between them. In joint cases, one of the spouses must report information as *Debtor 1* and the other as *Debtor 2*. The same person must be *Debtor 1* in all of the forms.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. If more space is needed, attach a separate sheet to this form. On the top of any additional pages, write your name and case number (if known). Answer every question.

### Official Form 106C

### Schedule C: The Property You Claim as Exempt

4/22

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. Using the property you listed on *Schedule A/B: Property* (Official Form 106A/B) as your source, list the property that you claim as exempt. If more space is needed, fill out and attach to this page as many copies of *Part 2: Additional Page* as necessary. On the top of any additional pages, write your name and case number (if known).

For each item of property you claim as exempt, you must specify the amount of the exemption you claim. One way of doing so is to state a specific dollar amount as exempt. Alternatively, you may claim the full fair market value of the property being exempted up to the amount of any applicable statutory limit. Some exemptions—such as those for health aids, rights to receive certain benefits, and tax-exempt retirement funds—may be unlimited in dollar amount. However, if you claim an exemption of 100% of fair market value under a law that limits the exemption to a particular dollar amount and the value of the property is determined to exceed that amount, your exemption would be limited to the applicable statutory amount.

Part 1: Identify the Property You Claim as Exempt

Do not include any creditors with partially secured claims that are listed in Schedule D: Creditors Who Have Claims Secured by Property. If more space is needed, copy the Part you need, fill it out, number the entries in the boxes on the left. Attach the Continuation Page to this page. On the top of any additional pages, write your name and case number (if known).

Part 1: List All of Your PRIORITY Unsecured Claims							
1. Do any creditors have priority unsecured claims against you?  ☐ No. Go to Part 2.  ☑ Yes.							
2. List all of your priority unsecured claims. If a creditor has more than one priority unsecured claim, list the creditor separately for each claim. For each claim listed, identify what type of claim it is. If a claim has both priority and nonpriority amounts, list that claim here and show both priority and nonpriority amounts. As much as possible, list the claims in alphabetical order according to the creditor's name. If you have more than two priority unsecured claims, fill out the Continuation Page of Part 1. If more than one creditor holds a particular claim, list the other creditors in Part 3. (For an explanation of each type of claim, see the instructions for this form in the instruction booklet.)
